[OFFICE ADDRESS]

Dear [REPRESENTATIVE/SENATOR NAME],

We, your undersigned constituents, write to request a meeting with you to urge you to cosponsor the newly introduced Judiciary Act of 2021 (H.R. 2584/S. 1141), which would expand the Supreme Court by four seats. We write to you as volunteers with Demand Justice, a progressive advocacy group fighting to restore balance and legitimacy to our federal courts through court reform and supporting diverse judicial candidates who have a demonstrated commitment to justice and equality.

Right now, the Supreme Court has a hyper-partisan supermajority, packed with extremists hand-picked by Donald Trump and Mitch McConnell. The Judiciary Act would give us an extraordinary opportunity to restore balance to the Supreme Court and protect such landmark decisions as *Roe v. Wade* and *Obergefell v. Hodges*. It also would allow new progressive legislation, such as democracy reform and voting rights, and important executive action by the Biden administration to stand the test of time, without fear that the conservative courts would one day strike them down.

We care deeply about building a Supreme Court that reflects the diversity of our country and defends the rights of our most marginalized. Accordingly, we would like to meet with you at your earliest convenience to discuss this matter further and to implore you to cosponsor the Judiciary Act.

Representatives of this group are available for a virtual meeting any time from 9am - 5pm in the coming weeks. Thank you in advance for agreeing to meet with us.

Sincerely,
